

To Whom It May Concern:

I am writing on behalf of K-LOVE radio. I truly enjoy this station and how they serve the community. The music is enjoyable and uplifting. It is family-friendly and I don't have to worry that the talk or music lyrics that are questionable. I am encouraged by the message brought forth. I can worship my God through the music and enjoy the news presentations and discussions of the D.J.'s that is intelligent, friendly and clean. I am inspired by the touching and encouraging stories of people from all over the United States that are effected and moved by the blessing of the K-LOVE music, message and people who work on-air. This station is not just another radio station, it is a ministry that touches lives. The message of God's love and redeeming power is presented in many ways by this station.

If K-LOVE were displaced by an LPFM broadcaster providing other programming it would be a very sad day for myself and many others. Not only do I listen to K-LOVE (pretty much exclusively) but so does my husband and son and many of my friends. There is very little programming like K-LOVE has to offer. There is no other station in Tucson, Arizona like it (or that even comes close).

I believe that the service K-LOVE provides is in the public interest because the programming is family-friendly and positive. So many are encouraged through it's message. They have told stories on-air of individuals that were deeply drug involved or suicidal that made good decisions to turn their lives around because of how they were touched by what they heard on K-LOVE. They heard that God loves them and cares deeply about their lives. Lives have been changed and hearts lifted.

I ask that you seriously consider not to allow K-LOVE to be displaced by an LPFM broadcaster. It would leave so many that seek it's wonderful music and inspiring message really wanting.

Thank you for your consideration in regards to this matter.
